# Electric Vehicle Parking Stations

At EasyPark we offer initiatives that encourage you to help save the environment. We support a transport system that minimizes congestion and air pollution. Our greener customers can take advantage of the following programs.

# Accessibility

It is important to EasyPark that parking is accessible to everyone. Our goal is to provide the best parking facilities for those with disabilities, from building design to universally readable signage. Contributing to this goal, our Gastown parkade, located at 160 Water Street, offers extra wide stalls with 24/7 access.

Parking spaces reserved for persons with disabilities are provided close to accessible entrances. Please visit <a href="Sparc BC">Sparc BC</a> for permit details.

#### Vancouver EasyAccess

Vancouver has a reputation for excellent facilities for people with disabilities. Most buildings, public transportation and visitor attractions are accessible.
